EEP School Scholarships

At Egypt Education Platform (EEP), we proudly offer exclusive scholarships to students across all our schools.

1. Academic Scholarship

Total of 10 Academic Scholarships: 10 students from Years 10, 11, and 12 across both British Schools

50% School Fee Remission

For a maximum of five students each year at each British School

25% School Fee Remission

For a maximum of five students each year at each British School

ACADEMIC ELIGIBILITY

- An average of not less than 90% in the Year 9 end-of-year result (i-Lower/Pre-IGCSE) and the Year 10st term result (or equivalent for external students).
- An exceptional record in extracurricular activities in STEAM, debating, sports, performing arts, visual arts, or any other area considered by the scholarship committee.
- An excellent role model and ambassador for the school in all areas, with concrete examples of taking on leadership opportunities within the school and/or local community.
- All short-listed applicants will have an interview-based upon the above criteria with the Heads of Secondary and School Principals.
- All applicants must have an average of 85% attendance at school. Applicants must submit a compelling personal statement highlighting unique academic and personal experiences, while articulating how the scholarship will support their academic and personal aspirations.

This scholarship is available for students in GEMS TBS and GEMS BISM only.

2. Co-Curricular Scholarship

Total of 4 Co-curricular Scholarships: 4 students from Years 10, 11, and 12 across both British Schools

15% School Fee Remission

Awarded for outstanding contribution in **any aspect of the school's co-curricular programmes, for example, STEAM, sports, performing, and visual arts**. Official recognition from outside organizations will be reviewed and maybe taken into account, if appropriate.

This scholarship can be awarded to an athlete who represents Egypt at a national level, whilst maintaining a high level of commitment and leadership in the school context.

ACADEMIC ELIGIBILITY

- Excellence in the designated area as supported by recommendations from school staff and interviews by the Heads of Secondary and School Principals.
- A satisfactory (passing) standard of academic progress is also required.
- All applicants must have an average of 85% attendance at school.
- Applicants must submit a compelling personal statement highlighting unique academic and personal experiences, while articulating how the scholarship will support their academic and personal aspirations.

This scholarship is available for students in GEMS TBS and GEMS BISM only.

3. Top Attendance Scholarship

2 Top Attendance Scholarships for each British School (50% School Fee Remission)

- This is a prestigious financial award and is granted to a select number of students in Year 11 and Year 12 recognized for their high attendance rate and commitment to school.
- Awarded students will have the opportunity for summer internships at EEP during the first two summers of university.

ACADEMIC ELIGIBILITY

- An average attendance rate of not less than 90% in all IGCSE/A-Level courses.
- An average grade of not less than 6 in all external examinations taken in IG/AS or A-level.
- An excellent role model and ambassador for the school in all areas, with concrete examples of taking leadership opportunities.
- All short-listed applicants will undergo an interview based on the above criteria with the Heads of Secondary and School Principals.

This scholarship is available for students in GEMS TBS and GEMS BISM only.

4. Academic University Awards

for Graduates of British International Schools

These are **financial awards** given to a select number of graduating students, who have gained a confirmed place at one of the world's or Egypt's **most competitive institutions**.

They provide **recognition for outstanding academic and co-curricular achievement** and provide an opportunity to openly celebrate the annual achievement of the school.

This Scholarship will be provided for a maximum of 2 students per annum (based upon highest-ranking university placement) for the first year of study which will amount to an award of 10% of the annual tuition fee cost up to EGP 100,000 per scholar.

ACADEMIC ELIGIBILITY

- An average of not less than A/A* or 9/8 in all external examinations taken in GCSE/IGCSE/AS and A Level
- An exceptional record in extra-curricular activities in the areas of STEM, Debating, Sports, Performing Arts or Visual Arts or the equivalent
- An excellent role model and ambassador for the school in all areas, with concrete examples of taking on leadership opportunities within the school and/or local community
- All applicants must have an average of 85% attendance at school

An unconditional confirmed placement at one of the world's or Egypt's most competitive universities and a confirmation of attendance.

This scholarship is available for students in GEMS TBS and GEMS BISM only.

5. EEP Study Abroad University Scholarship

for Graduates of British and IB Schools

The “Study Abroad University Scholarship” offered by EEP, is aimed at supporting up to three outstanding graduating students across our British and IB Stream. This scholarship is designed for those who have been accepted into prestigious universities abroad and demonstrates our commitment to fostering academic excellence and global opportunities. Exceptional students are selected for the award to enhance their educational journey and broaden their horizons.

The “Study Abroad University Scholarship” will be provided for a maximum of 3 students across the platform annually, which will amount to an award of 20% of the tuition fee cost, up to EGP 250,000 / GBP 4,000 per student. The scholarship serves as an additional incentive, motivating students to excel academically and pursue their dreams of studying at top-tier institutions abroad.

BRITISH STREAM ACADEMIC ELIGIBILITY:

- An average of not less than A/A* in at least 3 A-Level Exams
- An average of not less than A/A* or 9/8 in at least 8 GCSE/IGCSE Exams
- An exceptional record in extra-curricular activities in the areas of STEAM, Debating, Sports, Performing Arts or Visual Arts or the equivalent
- An excellent role model and ambassador for the school in all areas, with concrete examples of taking on leadership opportunities within the school and/or local community
- An average attendance rate of not less than 90% in all IGCSE/A-level courses
- An acceptance letter/ unconditional confirmed placement to be received at a prestigious university. (These universities will usually be defined as one of the top 50 institutions in the Times World University Rankings as published on an annual basis, but EEP reserves the right to offer this award for any notable higher education placement.)

This scholarship is available for students in GEMS TBS, GEMS BISM, GISC, AIA, Hayah International Academy, and Hayah International Academy West.

IB STREAM ACADEMIC ELIGIBILITY

- Final IB Score of 40 and above
- Demonstrate strong performance in all areas of the IBDP, including the Extended Essay (EE), Theory of Knowledge (TOK) and Creativity, Action, Service (CAS) for the full two years of the program
- An exceptional record in extracurricular activities in the areas of STEAM, debating, MUN, sports, performing arts, visual arts, or the equivalent
- An excellent role model and ambassador for the school in all areas, with concrete examples of taking on leadership opportunities within the school and/or local community.
- An acceptance letter/unconditional confirmed placement to be received at a prestigious university. (These universities will usually be defined as one of the top 50 institutions in the Times World University Rankings as published on an annual basis, but EEP reserves the right to offer this award for any notable higher education placement.)
- An average attendance rate of not less than 90% in IB courses
Applicants must pass an interview with the school's Diploma Programme Committee to assess their qualifications, potential, and alignment with the scholarship's objectives.
- Applicants must submit a compelling personal statement highlighting unique academic and personal experiences, while articulating how the scholarship will support their academic and personal aspirations.

An unconditional confirmed placement at one of the world's most competitive universities and a confirmation of attendance.

This scholarship is available for students enrolled in GEMS TBS, GEMS BISM, GISC, AIA, Hayah International Academy, and Hayah International Academy West.

6. Transfer Scholarship

This is a prestigious scholarship and opportunity that is granted to a select number of MLS and MILS students who have achieved top marks in their Year 6 end of year results. They are recognized for their high academic achievement.

Awarded students will have the opportunity to be enrolled in year 7 at GEMS- BISM

****A limited number of students from MLS and MILS are eligible each year based on Principals' endorsements, academic excellence and top exam scores.***

ACADEMIC ELIGIBILITY

- Top results in official Year 6 ministry exams
- An average attendance rate of not less than 90% at school
- An excellent role model and ambassador for the school in all areas, with concrete examples of taking leadership opportunities.
- All shortlisted applicants will have an admissions assessment and will be interviewed by the Heads of Secondary and School Principal at GEMS-BISM
- Number of scholarship awards will be subject to the number of vacant seats in year 7 at GEMS-BISM
- Awarded students must maintain a rigorous academic level as outlined by GEMS- BISM to be eligible for the continuity of the scholarship in the following years.

This scholarship is available for students enrolled in MLS and MILS.
